

# World Breastfeeding Week Celebration 2011

Department of Community Medicine, UCMS & GTB Hospital, Delhi – 95

Planned activities

## **For mothers (expectant and/or of children less than two years):**

Breastfeeding Counseling on all days of the week at Urban health and training centre (UHTC), Ghazipur, Delhi. UHTC, Ghazipur is the field practice area of Department of Community Medicine, UCMS & GTB Hospital, Delhi. The beneficiaries will be mothers of children less than 2 years attending the UHTC. On Tuesday and Wednesday, due to Antenatal day and Immunization day respectively, there is a huge rush. So group counseling sessions will be held for Antenatal mothers and mothers who come for vaccination respectively as on these days. On other days individual counseling sessions will be held.

Counselors: Dr. Khan Amir Maroof (Lecturer, Community Medicine, UCMS) & Dr. Anita Gupta (CMO, NFSG, UCMS)

## **For health workers (Anganwadi workers, RMPs, Medical Social Workers):**

A talk will be organized at UHTC, Ghazipur, on 'Infant Milk Substitutes Act and Myths and misconceptions about breastfeeding' for the health workers.

Speakers: Dr. Anita Gupta (CMO, NFSG, UCMS) & Dr. Khan Amir Maroof (Lecturer, Community Medicine, UCMS).

## **For junior residents and senior residents of department of Community Medicine:**

An orientation session on Infant and Young Child feeding Counseling with special emphasis on Baby friendly hospital initiative, Infant Milk Substitutes Act and Myths and misconceptions about breastfeeding will be held in the Department of Community Medicine, UCMS & GTB Hospital, Delhi-95.

Speakers: Dr. Pragti Chhabra (Profesor, Community Medicine, UCMS), Dr. Khan Amir Maroof (Lecturer, Community Medicine, UCMS) & Dr. Anita Gupta (CMO, NFSG, UCMS)
