

GENERAL INSTRUCTIONS FOR FILLING THE LABEL ANALYSIS FORM

1. This is a two-page form consisting of 4 parts: Details about the monitor, Details about the product reviewed, followed by 24 questions (to be answered in YES/NO) which is divided into 2 parts. Please read all the questions carefully before marking your option.
2. Questions 1 -17 are points that should be **mandatorily present** on the label and if any question has 'NO' for an answer, then its explanation need to be provided in the text box provided after Q.17.
3. Questions 18-24 are points that **should not be present** on the label, and if any question has 'YES' for an answer, then then its details need to be provided in the text box provided after Q.24.
4. The form may take 30-40 mins for filling.
5. Please provide clear images of the product label from all sides.
6. Also provide clear and close up **images specific to detection of violations**, if any.
7. Please attach the duly filled form and send **via email**.
8. In case you want to refer to **the bare ACT**, you can refer to the file attached in the email.
